### HYOGO OYSTERS 兵庫県牡蠣

Hyogo oysters are prized for their creamy and springy texture as well as its clean, sweet, and delicate taste.

### KUJUKUSHIMA OYSTERS 串間市牡蠣

Kujukushima oysters are rich with the nutrients absorbed from the islands and have a mild taste, a meaty texture, and a rich flavor.

### SAKOSHI OYSTERS 坂越牡蠣

The flesh of Sakoshi oysters is thick and fleshy and is silky smooth with a wonderfully creamy texture.

### MUROTSU OYSTERS 室津牡蠣

Murotsu Bay oysters are succulent & creamy with a sweet and fruity taste thanks to mineral-rich nutrients from the area.
